# FORMATS OF CONFERENCE PRESENTATIONS

## Symposia

A symposium is a session lasting 90 minutes that includes between three and five papers that address a common theme. Each symposium is organized by a convenor and there may also be an additional discussant. We encourage delegates to attend the whole of the symposium and to participate in the discussion.

**The length of each presentation depends on how many papers are in each symposium:** 3 papers: Each presenter has 30 minutes (20 minutes + 10 minutes for questions)

4 papers: Each presenter has 22 minutes (15 minutes + 7 minutes for questions)

5 papers: Each presenter has 18 minutes (12 minutes + 6 minutes for questions)

## Oral paper sessions

Oral papers are grouped together in a chaired session. Each presentation in an oral paper session will last 20 minutes (15 minutes for the presentation and 5 minutes for discussion and questions).

**The length of each presentation depends on how many papers are in each symposium:** 3 papers: Each presenter has 30 minutes (20 minutes + 10 minutes for questions)

4 papers: Each presenter has 22 minutes (15 minutes + 7 minutes for questions)

5 papers: Each presenter has 18 minutes (12 minutes + 6 minutes for questions)

6 papers: Each presenter has 15 minutes (10 minutes + 5 minutes for questions)

## Workshops

Workshop sessions last for 90 minutes. A workshop is a session involving interactive learning and the dissemination of training and/ or skills, rather than an extended lecture.

## Poster presentations

We encourage poster presenters to stand at their poster during some of the refreshment breaks so that delegates can talk to them about their work. **Please follow these guidelines for the posters:** Posters have to be size A0 (85 cm wide and 120 cm high- portrait orientation).

Poster should be printed in high resolution. Please do not print the poster on a fabric, to make it easier to hang the poster on the poster wall.

Each poster presenter is responsible for printing their poster and bringing it to the meeting.

Each poster must have a presenter who is required to stand by the poster during the scheduled duration of the poster session to answer questions from attendees.
